

## **Dirty Rice**

1 pound bacon  
1 pound ground beef (more if you like it) or add some sausage and try half of each  
1 red pepper diced  
1 onion diced  
½ cup chopped pecans  
1 box of dirty rice (purchase in boxed rice section)

Oil dutch oven. Fry bacon until done this will make it crumble and easier to cut into small pieces. Fry ground beef. Add red pepper and onion and cook until onions are just soft.

Toast pecans in a mini dutch oven with a little oil. Add pecans and bacon to the burger . Add box of rice with amount of water necessary on box container.

Add a lid and a scoop full of coals. Bake 20 minutes. Remove from heat. Let set 5 minutes.

We sprinkle a ½ cup of raisins on the top, inside a hot tortilla with sour cream or a mustard sauce.
