

## **English Muffin Sandwich**

For 3 sandwiches:

3 eggs

3 slices of cheese

3 slices of ham

3 english muffins

butter

Put a pan stacker on top of your dump cake with an oiled dutch oven fry pan. Fry bacon, ham or sausage (whatever is your favorite).

Butter English muffins and lay face down in pan to toast and warm. Then scramble some eggs in a bowl, you will need one egg per sandwich. Make sure you have lots of bacon grease or butter in the fry pan when you do your eggs. If you don't want to scramble the eggs, just crack them in the pan, break the yokes and cook till yoke is almost hard and flip.

Lay a piece of American cheese on top. After it begins to melt put the egg with cheese on an English muffin add the meat and wrap in tinfoil to keep warm.
